IEC Appliance Inlet with Filter, Fuseholder 1- or 2-pole, Line Switch 2-pole

Protection class I with shield

Protection class II without shield

C14	C18	
70° C	70° C	

Description

- Panel mount :
- Snap-in version front side
- 4 Functions :

Appliance Inlet protection class I or II , Line Switch 2-pole , Fuseholder for fuse-links 5 x 20 mm 1- or 2-pole , Line filter in standard and medical version

- Quick connect terminals 4.8 x 0.8 mm

Unique Selling Proposition

- Most compact solution on the market
- Innovative EMC-shielding
- Easy and flexible snap-in mounting
- Protection class I or II versions

See below: Approvals and Compliances

Characteristics

- Ultra-compact design. Small dimensions in front of and behind the panel
- All single elements are already wired
- For added safety "Extra-Safe" fuse drawers are available
- Innovative EMC-shielding with flexible steel segments for an excellent contact
- Suitable for use in medical equipment according to IEC/UL 60601-1 (1 MOOP, 1 MOPP)

For applications according IEC/UL 62368-1 we recommend variants with bleed resistor

Other versions on request

- Fuse drawer 1-pole, plus spare fuse case
- Fuse drawer 2-pole, with shorting bar
- Other rocker marking

References

Alternative: version without line filter KM Alternative: version for screw mounting DD12

Approvals and Compliances

Detailed information on product approvals, code requirements, usage instructions and detailed test conditions can be looked up in Details about Approvals

SCHURTER products are designed for use in industrial environments. They have approvals from independent testing bodies according to national and international standards. Products with specific characteristics and requirements such as required in the automotive sector according to IATF 16949, medical technology according to ISO 13485 or in the aerospace industry can be offered exclusively with customer-specific, individual agreements by SCHURTER.

Approvals

The approval mark is used by the testing authorities to certify compliance with the safety requirements placed on electronic products. Approval Reference Type: KMF

Approval Logo	Certificates	Certification Body	Description
